

We've redesigned our website to make it even easier for you to find the information you need for your next project. Our new website has a cleaner design with better responsiveness for improved mobile viewing. We have also added a new chat feature and a right side menu, so you can easily get in touch with our customer service and technical staff. **[Stop by today and check out what's new!](#)**

Need a System Delivered Before the New Year? Place Your Order Soon.

The end of the year is approaching fast. If you'd like one of our filling systems delivered before year end, make sure to get your orders in soon. Some of our products have up to a 10 week lead time, so it's important to **[contact us](#)** to ensure timely delivery. Don't delay!

We'll See You at The Greater New York Dental Meeting

Our Tridak[®] representatives will be attending the 94th Annual Greater New York Dental Meeting this November in New York. If you're also attending, we'd be happy to visit your booth or meet with you even if you aren't exhibiting. If you are interested in meeting, please **[send us a quick email](#)** letting us know what times are convenient for you.

Privacy Policy: We value your interest in Dymax and hope you'll contact us when seeking solutions for your manufacturing assembly challenges. Because of this, we consider your contact information and any other information you provide us as confidential. This means, most importantly, that we do not sell your contact information to anyone. Instead, your information is used by us solely to provide you with the information and assistance you have requested.
